The screenshot shows the HBO Max registration interface. At the top is the HBO Max logo. Below it is the heading 'Create Your Account' and a subtext 'You will use this email and password to sign in to HBO Max.' The form contains several input fields: 'First Name' with the value 'Blic', 'Last Name' with the value 'Net', 'Email Address' with the value 'blic.net@blic.net', and a 'Password' field represented by a series of dots. To the right of the password field is an eye icon for toggling visibility. Below the password field is a note: 'Your password must be at least 8 characters and include a number or special character.' There is a checkbox with a checkmark and the text: 'Use my email address to send marketing promotions and offers from HBO Max (a WarnerMedia company) and Affiliates via email, social media, and other channels'. Below this is a confirmation box with the text: 'By clicking **Create Account**, you confirm that you are 18 or over, you agree to the [Terms of Use](#), and you acknowledge that you have read our [Privacy Policy](#).' Inside this box is a large blue button labeled 'CREATE ACCOUNT'. At the bottom of the form is a link: 'To withdraw your consent (including any consent you have previously given) and to learn more about your rights and how to exercise them, see the [Privacy Policy](#).' The footer at the very bottom reads: '© 2022 WarnerMedia Direct, LLC. All rights reserved.'
